

First International Conference on Artificial Intelligence, Computational Electronics and Communication System (AICECS 2021)

28th - 30th, October 2021

Manuscript 059
(Peer Reviewed)

IOP: Journal of Physics Conference Series

CERTIFICATE

This Certificate is presented to

Dhanush T.N , RV College of Engineering, Bengaluru

for presenting the research paper entitled “ Area and Energy Efficient QCA Based Compact Serial Concatenated Convolutional Code Encoder ” in the First International Conference on Artificial Intelligence, Computational Electronics and Communication System (AICECS 2021), organized by Department of Electronics and Communication Engineering, Manipal Institute of Technology, Manipal during 28th - 30th, October 2021. This paper has been submitted to be published in IOP: Journal of Physics, a conference proceedings journal by the Institute of Physics, United Kingdom.

Dr. G. Subramanya Nayak
Professor & HOD ECE

Dr. Tanweer
General Chair

Dr. Pramod Kumar
General Chair

Dr. Shounak De
General Chair

Dr. Priyanka Desai Kakade
Organizing Chair
